

**REPORT FROM BELLRINGERS AT ST. MARY'S STORRINGTON for APCM - 21 April 2016**

Numbers of ringers continues to be fairly static, with no new ringers added this year. However our new curate has been attending Friday night practice sessions when she can, with a view to being able to handle a bell competently.

At our AGM in September there were no changes in post i.e. John Taylor is Tower Captain, Michael Foster ringing practice co-ordinator/assistant Tower Captain and Laura Wadey Tower Secretary/Treasurer.

A few quarter peals were rung during the year and we had a couple of weddings. We intend to ring a quarter peal on 21<sup>st</sup> April in recognition of the Queen's 90<sup>th</sup> birthday. We have also put the bellringers on the Library's list of clubs and societies in the hope that this might attract some new ringers.

We continue to have visitors from other towers to our Friday night practice and last year saw a good number of visitors on ringing outings visiting Storrington bell tower.

Laura Wadey  
Tower Secretary
