

St. Luke's Team [Healing Prayer]

In February 2015 the team members began to draw together and then we began our monthly meetings in May. In August we had a Quiet/Training afternoon when we focussed on the act of praying for healing. Since then we have thought about how best to bring this ministry into our regular worship at St. Mary's.

In September most of the team were commissioned by the Rector and one person who was unable to be there was commissioned later.

We took part in our first service at St. Luke's tide, October 18th 2015, and since then have begun, and will continue, to offer this service to those who find it helpful on the third Sunday of every month.

We now meet each month on the Monday after the 3rd Sunday for a time of prayer and to continue to discuss how we can move forward and improve the way that we work and the service we offer.
