

3 Heralds Magazine

Report for APCM - April 2020

Marcia Charles - Chairperson
Amanda Hislop – Editor
Vera Blake – Treasurer

The purpose of the magazine is to provide church information to the Parishes of Storrington, Sullington and Thakeham, together with an outreach to the local communities with reports and events of local clubs and organisations.

The magazine committee continues to meet three times per year.

Jane Williams, representing Sullington Church, and Pat Snape, representing Thakeham Church, joined the Committee from October 2019, in order there was an equal representation from the three Parishes.

We have been able to maintain the price of £1 per issue with support of advertisers. There is also a chance for advertorials, at a charge, which is a one-off advert and write-up, offered to those who wish to advertise but when no space is available.

A social get-together is planned for 31 May 2020 for all those involved with production and distribution of the magazine, plus contributors.

There has been a slight drop in subscribers for year beginning 2020, mainly due to people moving away or passing. The Committee realise there needs to be more promotion of the magazine, through the clergy and parishioners, and current subscribers.

Bishops Printers in Portsmouth, have continued to provide an excellent service, with good quality printing and delivery of magazine on time, with a quick turnaround.

Fiona Bowring continues doing the layout and does an excellent job in assisting Amanda.

The *3 Heralds* magazine is self-funded with independent accounts.
