

Mothers' Union Report – March 2019 – February 2020 – West Chiltington and Storrington Branch

The branch has had a busy year: we welcomed a variety of speakers at our monthly meetings including Revd David Coleman, and Revd Rob Wall who talked about his visit to the Palestinian West Bank where he planted olive trees.

Members also attended several services in different locations: Southwark Cathedral, Chichester Cathedral, Bishop Hannington Church as well as at West Chiltington and Storrington. There have also been coffee mornings, a garden party and a Quiet Day at Easebourne.

Members continue to knit prayer shawls led by Jeannie Watten. These are valued gifts and we are grateful to our team of knitters. We are lucky to have so many enthusiastic members who are always willing to organise events, such as lunches for special occasions and also the teas at our regular meetings. Thank you to all of these volunteers!
